

A Special Visit for Special Kids . . .

New York City Schools Chancellor Ramon Cortines (pictured) was the guest of honor when School Board 21 welcomed him to P.S. 238, 1633 East 8th Street. The event focused on getting parents of special education children more involved with the schools. Cortines is pictured with youngsters from the school and parent organizer Mary Ann Darienzo during the welcome.

Story and photos on page 4.
