

## A New Beginning for Rudy and Jorge . . .

The beginning of a new year is a time for celebration and fresh starts, but this year it had a special meaning for the Lopez family. At 2:15 on New Year's morning, Jessica Lopez gave birth to nine-pound, three-ounce Jorge. Jorge has the distinction of being the first baby born this year at the Lutheran Medical Center, 150 55th Street. The child was delivered through a Caesarean section. Lopez said her newborn is doing just fine and they plan to return home soon.
